Thanks for this information now I need to ask another one.

The Postage meter that is out there is it used strictly by the Drug Lab personnel or do the other DPH employees use it as well.

Hi Debbie,  
No, Christine is with Food and Drug. We have 1 fax machine at 413-545-2608. N449 is not part of the Drug Lab  
N251 is the Drug Lab's main office

Hi Jim,

I have a couple of questions for you. Does Christine Majewski work for the Drug Lab? How many fax machines does the drug lab have and what are the extensions. Is room N449 or N251 considered part of the Drug Lab?

Thanks  
Debbie
